## Personal caregiver opportunities

We are looking for dedicated caregiving professionals who are committed to enhancing the physical, emotional, and overall well-being of our clients. Caregivers play a vital role in delivering personalized care plans designed to support health, independence, and quality of life while reducing the impact of illness or disability. Join our team and turn your passion for helping others into a rewarding career.

## Flexibility that fits your lifestyle

We believe a great career should fit your life. That's why we offer flexible full-time and part-time scheduling options that work around what matters most to you.

## Continuing education and training

We take pride in supporting our caregivers through structured training and ongoing education. All caregivers complete comprehensive pre-service training before entering the home and have access to continued learning opportunities throughout the year to enhance their skills and confidence.

## Achieve your professional goals

Grow professionally with Comfort Keepers. Starting as a personal caregiver is an excellent way to gain experience and move toward skilled nursing or other internal career opportunities.
